Friends & Family Results – Last Full Year To Date

Thank you to patients who have completed a **Friends & Family** test. The latest results are shown below, along with the number of responses received. **Friends & Family** is a constant measure – please help us to monitor our service by completing a **Friends & Family** survey after each contact with the Practice. The survey can either be completed online via our website, asking for a form to complete at Reception or, responding to a **Friends & Family** survey invite text message.
